

# THAMESMEAD WATERFRONT

## Festival of Ideas

### Place Lab #2

10am - 1.00pm

'The Old Bed Shop'

4 Joyce Dawson Way, SE28 8RA

Saturday - 13th November 2021

The Thamesmead Waterfront Joint Venture, a partnership between Peabody and Lendlease, is working to bring forward plans for a new Thameside neighbourhood at Thamesmead Waterfront. We want to develop a Vision for the Waterfront working with local communities.

At the Festival of Ideas you will be able to view some of the thoughts collected so far, meet the design team and chip in your ideas for the future of Thamesmead Waterfront on issues such as business, environmental improvements and your cultural ambitions for the area.

Activities on the day will include:

- Review design ideas to date
- Discuss short-term ideas for the Town Centre
- Share your ideas to enable future projects
